The Listing of Claims will replace all prior versions, and listings, of claims in the application.

**LISTING OF CLAIMS**

Claim 1. (Currently Amended) A ~~computer-based~~ method for transferring funds from a bank or credit card account of a fund depositor to third party dependents, comprising:

creating a bank or credit card account for debit or credit card access by a third party financially dependent upon a fund depositor, from which funds may be transferred at the request of said third party as a cash withdrawal or payment for goods or services purchased by said third party; and

limiting the amount of funds in said bank or credit card account of said third party dependent that may be withdrawn as cash or spent on at least one class of goods or services in response to instructions from said fund depositor;

wherein said limiting step comprises prohibiting any amount of funds to be withdrawn as cash or spent on at least one class of goods or services.

Claim 2. (Original) The method of claim 1, further comprising the step of periodically and automatically transferring funds into said third party account from said fund depositor account in response to command instructions from said fund depositor.
